Important Safety Notice

PRODUCT RECALL

Halfords Mains and 12V leisure inflator. Halfords Item code: 290251

Recall notice issued: 12.04.2022.

Halfords has identified a potential safety concern with the above product. We have identified a risk of the mains plug not failing safe and potentially overheating. This issue could be potentially dangerous and could pose a safety risk.

To ensure customer safety, we are recalling any of these products purchased **from January 2022 onwards** from our customers.

Any units of the product purchased prior to January 2022 are **not** affected by this issue. Any unit purchased before January 2022 will have been packaged in a purple and white box, not in the orange box as shown above. These units are not affected by this issue or recall.

If you have purchased one of these products, please stop using it immediately.

We then kindly ask if you have the product with you, please return it immediately. If you do not have the product with you, please kindly return it including all components as shown in the images above to store at your earliest possible convenience. When the inflator is returned to store you will be given a full refund.

If you have any difficulties in returning to your local store, please contact our Customer Support Team on **03301359779** or email us at customer.services@halfords.co.uk.

If you know someone else who has purchased one of these products, or you have purchased one for someone else please ask them to follow the actions advised above.

We apologise for any inconvenience caused.
