

PRODUCT SAFETY RECALL

Halfords Value Rear Low Mount Cycle Carrier- 910182

Affects some products purchased after 1st July 2013.

2 x Cambuckle missing (see above)

If you have purchased the above cycle carrier after 1st July 2013:

- Please check your cycle carrier to determine if there are 4 sets of cam buckles (2 of which are already attached to the frame itself)

Your product is **not** affected by this safety issue if 4 cam buckles are present in total (2 pre-attached to the frame)

Your product is affected by this safety issue if only 2 cam buckles are present in total. Please return your product to store for a full refund.
