

RECALL NOTICE

Out of an abundance of caution and for the safety of our customers CamelBak Products LLC (“CamelBak”) is voluntarily recalling certain caps across two date codes [manufactured in 2019] that were sold with the CamelBak Podium water bottles due the possibility that a small silicone valve in the cap of two specific date codes of caps could release and pose a potential choking hazard.

The two impacted date codes are the following:

- H19063
- H19175

If your cap **does not** have one of the two listed date codes, your cap **is not** subject to the recall, and you do not need to take any action.

We value our customers safety and are committed to full transparency, which is the reason we elected to voluntarily report this to Trading Standards and recall the caps.

To request a free Black Replacement Cap: Email your Name, Address, Cap Date Code, and a Photo of the underside of the Cap showing the Date Code to:

recall@camelbak.co.uk
