

Step By Step Ordering Guide

Step 1

Please refer to the measuring guide, for how to measure your garage opening for the correct size bracket. This will ensure the correct sized door is paid for at point of order.

Please note: Your measurements will not be used as exact sizes for manufacture. A member of Birkdale Customer Service will contact you to confirm final sizes for production

Step 2

Order your new garage door.

Step 3

A member of the Birkdale team will make contact, within 24 hours of order, to discuss sizes and go through our Survey Sheet to confirm specification

Step 4

Delivery will be organised within 2-3 weeks for roller doors and 3-4 weeks for sectional doors of initial order

Step 5

Don't forget to log onto www.birkdale.co.uk to register your door and take advantage of Birkdale's industry leading warranties.
